This camp will provide an opportunity to work on the fundamental skills of basketball. These skills are the building blocks for future success in the game. The camp instruction will focus on group and individual teaching of the fundamental areas of ball-handling, shooting, rebounding, defense, and teamwork.

Summer is a time when we increase our basketball skills, and this camp will set a course for individuals who want to enhance their abilities and play the great game of basketball. We look forward to seeing all of you this year.
